

# Battery-Powered Cutter

---

## **ESG45GL**

## Make cutting many types of materials simple and easy...

---

As with all Greenlee  battery-powered tools, the ESG45GL has a unique two-speed pump that advances the ram rapidly until the blades meet resistance, thus reducing cutting time. And the Greenlee exclusive retraction feature automatically retracts the ram to prepare for the next cut. For making mid-span cuts, the head can be flipped open to get around the cable. Need to work in tight places? The head can be rotated 360° for easier access to the cable.

This versatile and tough battery-powered cutter is capable of cutting a wide variety of materials including ACSR, rebar, guy wire, (including EHS), ground rod, soft steel bolts, and wire rope. It will also cut copper and aluminum cable.

## PRODUCT FEATURES

- The ram automatically retracts after the cut is complete to ready the tool for the next cut.
- The two-speed pump advances the ram rapidly to start the cut reducing cycle time.
- The cutting blades are specially designed and hardened for use on soft steel.
- Cutting head rotates 360° for making cuts in tight locations, and flips open to make mid-span cuts easy.
- Angled pistol grip design provides excellent control and balance.
- One-hour battery charger, carrying case, and 2 batteries included.
- Choice of 120 volt, 230 volt, or 12 volt battery charger.
- Makes approximately 95 cuts on 336.4 ACSR per battery charge.

## SPECIFICATIONS

Length:	15-1/2" (394 mm)	ACSR:	1590 kcmil (Falcon 54/19)
Height:	12-1/2" (318 mm)	Standard Guy Strand:	5/8" dia. (16 mm dia.)
Weight:	12.8 lb. (5.8 kg)	EHS Guy Strand:	1/2" dia. (13 mm dia.)
Battery:	12 volt 2.0 Ah NiCd	Ground rod:	5/8" dia. (16 mm dia.)
Battery charge time:	1 hour	Rebar (schedule 60):	1/2" dia. (13 mm dia.)
		Wire rope:	5/8" dia. (16 mm dia.)
		Copper and aluminum cable:	1500 kcmil (800 mm <sup>2</sup> )
		Soft Steel Bolts:	5/8" dia. (16 mm dia.)

## ORDERING INFORMATION

Cat. No.	UPC No.	Description
ESG45GL11	10412	Battery-Powered Cutter - 120 volt charger
ESG45GL12	10413	Battery-Powered Cutter - 12 volt charger
ESG45GL22	10414	Battery-Powered Cutter - 230 volt charger
